

HOW TO VIEW AND DOWNLOAD PHOTOS

To see the reunion photos, click on this Shutterfly website link: <https://whs6055threunion.shutterfly.com/>. If you've never opened an account with them, you'll need to do that using a unique password. Otherwise, you will only be able to view the first page of images.

Click on the first photo to start viewing. Hit the arrows above the photos to move forward or backward through the collections. If you place your cursor on the upper-right corner of a photo, you will see an opportunity to download it to your computer. These photos are printable at the size of the download.
