Picnic at the U of M Landscape Arboretum

One of the picnic sites at the Arboretum has been rented for our first event on Saturday, where we'll enjoy an excellent catered meal. The shelter is located close to the display gardens and visitor center where you might choose to pick up an inexpensive three-mile trolley tour of this gorgeous landscape. Your entry ticket includes the entire day to explore the grounds and exhibits.

Brunch at Jax Cafe in Minneapolis

Jax Restaurant has for decades hosted all kinds of milestones: reunions, birthdays, weddings, and other celebrations. The restaurant's ambience is ideal for these occasions. A private room has been reserved for our Sunday brunch event. We think you'll love it!
